

Sensecere Attendance Statement

We are delighted to welcome children and families to our Saturday Club and strive to provide a safe, enjoyable, and supportive environment for everyone.

Regular attendance helps children build friendships, develop confidence, and gain the greatest benefit from the activities and opportunities offered through the club. We understand that families may sometimes face challenges that affect attendance, and we ask that you let us know as soon as possible if your child is unable to attend a session, as this allows us to offer the place to other children.

If your child is unable to attend for an extended period, we would appreciate you keeping in touch so that we can continue to support your family's involvement with the club where possible.

In line with the EYFS and our Safeguarding Policy, Sensecere will follow up on absences in a timely manner by checking in with parents and carers. Where appropriate, we may also use the emergency contact details you have provided to ensure your child's wellbeing.

As part of our commitment to keeping children safe, if we have ongoing concerns about a child's welfare and are unable to establish that they are safe, we have a duty, in line with our Safeguarding Policy, to share those concerns with Children's Services. We will always aim to work openly and supportively with families wherever possible.

We value every child's participation and are committed to working with families in a flexible and understanding way to ensure that all children can enjoy and benefit from their time at the club.

Thank you for your support and cooperation.

Sensecere Team.
